

### Datasheet - MAXIT0100BS235BROUMO

The MAXI sprayer is a professional high-performance model with a very high output of 2.2 ml per stroke. The MAXI has an extremely robust construction, designed for constant use over a long period. It has a long contoured three-finger trigger for effort-free operation. The trigger surface is textured for an easy grip even with wet or gloved hands.

The nozzle is fully adjustable from a fine mist to a direct jet. The diptube filter is fitted as standard.

The Maxi is recommended for professional, industrial and janitorial use and for all applications where a large quantity of product sprayed is required.

#### **General Information**

- Ordering numbers : MAXIT0100BS235BROUMO

- Spraying capacity : 2.2 ml

- Weight: 39.00 gr

- Color:

- Tube length: 235 mm

#### Neck: 28/400

#### Standard packaging:

- 400 pcs per box

- Dimensions : 57 x 39 x 55 cm - Gross weight : 16.85 Kg
